

February 6, 2023

Dear Friends,

2023 greetings to you, our dedicated friends! JCA is starting out strong this year, and we look forward to new and exciting projects as well as more of the established programming that we have been able to offer the community.

As you may know... ***The Riverside Farmers and Makers Market*** is open every Thursday during the summer months. For the past two summers, with the support of a grant from Southwest MN Arts Council, and from support from our Partners in Music, we have been able to bring Artists and Musicians to Ashley Park on designated Thursdays throughout the summers.

In 2023, JCA continues to promote this market with hopes of growing it to include more Art, Music, and educational experiences. We are planning concerts, events, Artists, classes and more on selected Thursdays at the *Riverside Farmers and Makers Market*. To be successful, we are seeking help from our ***Partners in Music*** program. Our ***Partners in Music*** donate \$200 to make it possible to keep these 'open air' events free and open to all who wish to attend.

If you are able, please consider supporting this project. Once we know what we have for funding, we will begin planning the dates and hiring musicians. Enclosed you will find the Partner in Music form, which is due on April 1, 2023. We hope you will fill it out and/or it pass on to friend who may want to be part of this opportunity. Thank you for your support and we look forward to seeing you again!

Sincerely,

Kathy Fransen
